# Purpose

The Agency's purpose is to provide expertise and solutions to help deliver sustainable communities throughout Ireland. In this strategic period, we will deliver our purpose in three ways:

- 1** Supporting stakeholders with **evidence-informed insights and data** to develop a sustainable Irish housing system.
- 2** Enabling **supply and demand solutions** throughout the housing system.
- 3** Ensuring the Agency and its stakeholders have the **capacity and agility to respond effectively** to challenges in the housing system.

## Vision

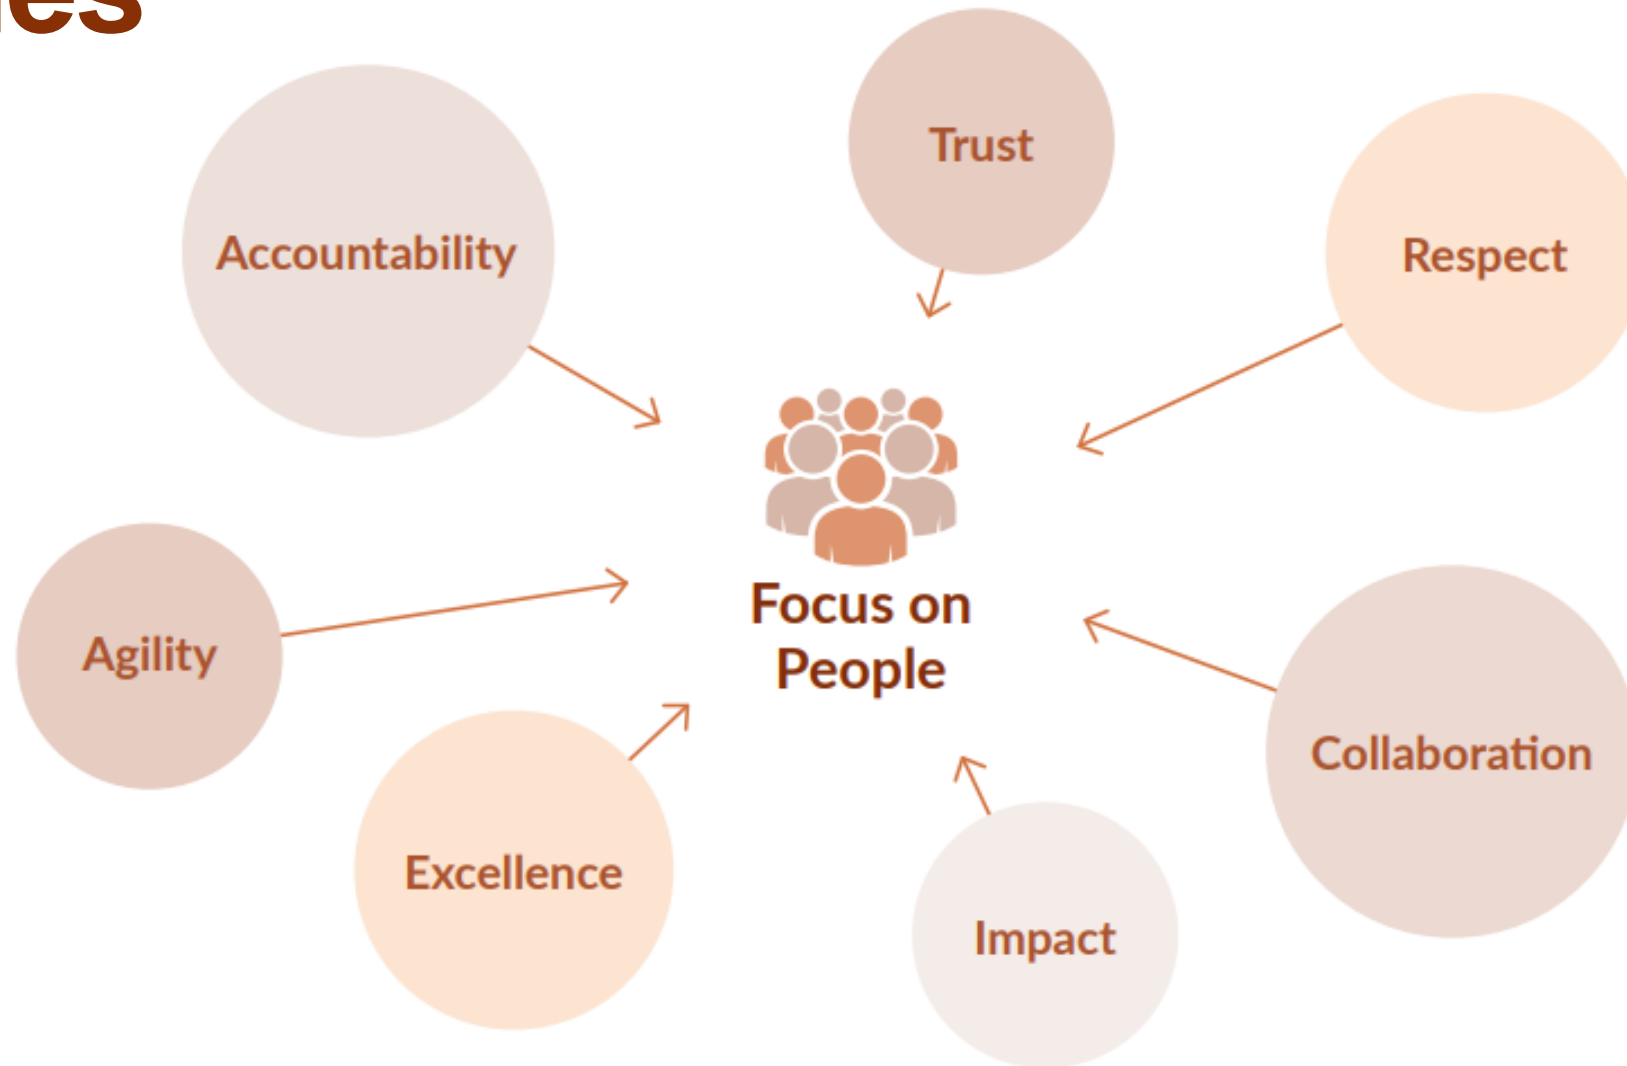

To achieve an integrated housing system, meeting the nation's housing needs and promoting sustainable communities.

# Housing for All

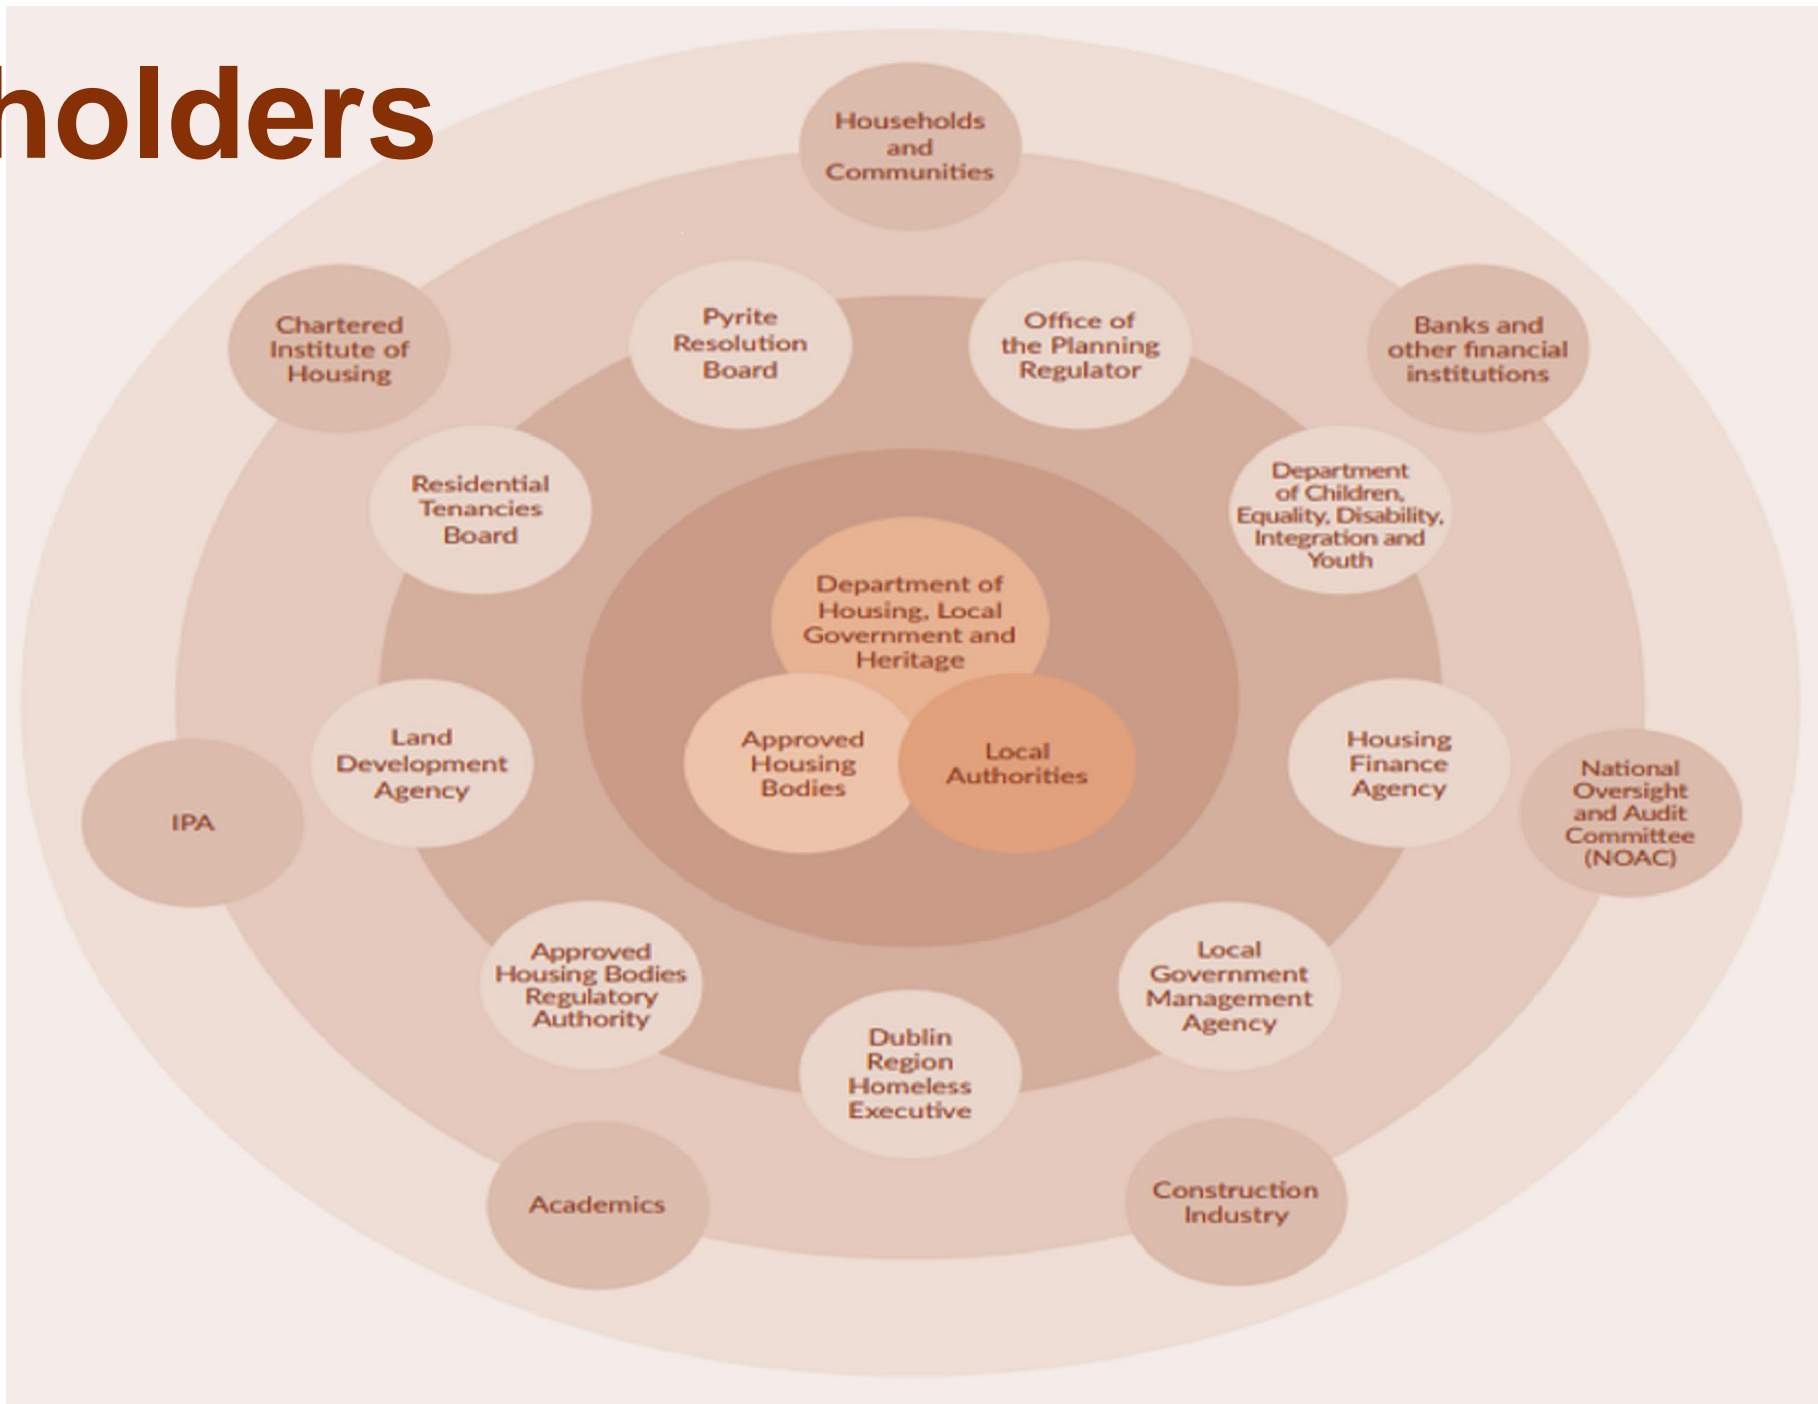

Our Strategic Plan 2022-2024 has been framed in the context of supporting Housing for All, the Government's housing plan for Ireland

# Values

# Stakeholders

# Themes

## Theme 1: Being a Centre for Housing Knowledge

The Agency will support stakeholders by providing evidence-based housing insights and data that inform thinking and policy making.

- Be a respected leader on housing insights and innovation
- Develop and share new thinking
- Contribute to policy development
- Inform the public discourse about the housing system in collaboration with stakeholders
- Develop appropriate evaluation mechanisms

## Theme 2: Bridging Housing Supply and Demand

The Agency will play a key role in implementing programmes and actions in Government housing policy. It will work with others to enable the delivery of housing solutions across the housing system to meet current and future demands.

- Support home ownership and improve affordability
- Increase the supply of affordable homes
- Contribute to the eradication of homelessness
- Support social inclusion policies in housing delivery
- Increase social housing delivery
- Facilitate stakeholders to deliver their housing delivery action plans
- Address vacancy and efficient use of existing stock
- Respond to emerging issues on behalf of Government

## Theme 3: Building Capacity for Housing

The Housing Agency will focus on equipping both the Agency and its stakeholders with the capacity required to respond quickly and effectively to challenges in the housing system.

### Capacity in the Housing System

Support AHBs and Local Authorities with advice & information, operational support and customised training to facilitate capability development, through:

- Learning and expertise
- Housing professionals as a community of practice
- Social inclusion in the housing sector

### Organisational Capacity

Grow the Agency to:

- Ensure the organisation's operating model, structures and capacity are appropriate for the purpose and organisational goals set out in this strategy
- Deliver a professional and quality service to the Agency's stakeholders
- Enable the Agency to operate to the highest levels of public sector governance

# Planned Impact

- A deeper understanding of housing to inform policy decisions and programmes to achieve quality housing and sustainable communities
- Increase the supply of private, social and affordable housing to meet current and future demands
- Develop capacity in the housing sector to respond quickly and effectively to challenges

**We look forward to working with you to help achieve our vision of an integrated housing system that meets the nation's housing needs and promotes sustainable communities**

**Thank You**
