- 6.4.2 may instruct a suitably qualified, experienced and independent valuer to estimate a Revised Proposed Market Sales Units Price for each Designated Unit;
- 6.4.3 shall notify the Agency of the Revised Proposed Market Sales Units Price for each Designated Unit and provide (to the Agency in writing) the rationale of the Developer for seeking to advertise the Designated Units for sale at the Revised Proposed Market Sales Units Price and including details of all sales and marketing campaigns undertaken to date, details of all signage, web advertising, newspaper advertisements, show-units made available for viewing, the level of enquiries received in respect of Designated Units to date and the number of viewings of Designated Units to date; and
- 6.4.4 shall (subject to clause 6.5 below) receive written confirmation from the Agency, within 10 Working Days of such notification from the Developer, that it is satisfied with the Revised Proposed Market Sales Units Price for each Designated Unit whereupon the Developer shall be entitled to advertise the Designated Units for sale at the Revised Proposed Market Sale Units Price through any advertising media used by the Developer to sell the Designated Units and shall not advertise any of the Designated Units for sale at a price which is less than the Revised Proposed Market Sales Units Price.
- 6.5 In the event that the Agency is not satisfied with the Revised Proposed Market Sales Units Price for each Designated Unit, the Agency may, within 10 Working Days of notification to the Agency as per clause 6.4.3, appoint a separate suitably qualified, experienced and independent valuer to forecast the Revised Proposed Market Sales Units Price, with such

forecast to be provided to the Developer within 10 Working Days of the date of appointment by the Agency of such independent valuer. Following the separate valuation, the parties shall engage in good faith for a period of no longer than 10 Working Days with a view to agreeing the revised Proposed Market Sales Units Price. If such an agreement cannot be reached by the parties, either party may, following the expiry of the 10 Working Day engagement period, elect to have the matter referred to an expert for determination in accordance with Clause 13.

6.6 Within 15 (Fifteen) Working Days of agreeing (subject to contract) the sale of a Designated Unit to a Purchaser and accepting a booking deposit, the Developer shall notify the Agency of the purchase price of the Designated Unit as agreed with the Purchaser which shall reflect the Open Market Value and which will become the Actual Market Sales Units Price should the sale proceed to closing.

6.7 In the event that (1) the Actual Market Sales Units Price for a Designated Unit is less than the Proposed Market Sales Units Price and (2) the Agency has issued written communication to the Developer within 15 (Fifteen) Working Days of receipt by the Agency from the Developer of the Actual Market Sales Units Price (pursuant to clause 6.6), that the Agency is not satisfied that the purchase price of the Designated Unit agreed with the Purchaser reflects the Open Market Value for the Designated Unit, the Agency may within fifteen (15) Working Days of receipt by the Agency from the Developer of the Actual Market Sales Unit Price (pursuant to clause 6.6) appoint a suitably qualified, experienced and independent valuer to ascertain the Open Market Value for the Designated Unit. Following this valuation, the parties shall engage in good faith for a period of no longer than 10 Working Days with a view to agreeing the Open Market Value. If such an agreement cannot be reached by the parties, either party may, following the expiry of the immediately preceding ten (10) Working Day engagement period, elect to have the matter referred to an expert for determination in accordance with Clause 13. In such a scenario, the calculation of the Croí Cónaithe (Cities) Subsidy payable to the Developer in respect of that Designated Unit shall be based on the Open Market Value of the Designated Unit as agreed between the parties or as determined by the expert appointed pursuant to Clause 13 (as applicable).

6.8 For the avoidance of doubt, where the Developer completes a sale of a Designated Unit to a Purchaser:

(i) prior to the expiry of the first period of fifteen (15) Working Days referred to in clause 6.7 above (and in circumstances where the Agency has not confirmed that it is satisfied that the purchase price of the Designated Unit agreed with the Purchaser reflects the Open Market Value for the Designated Unit); or

(ii) in circumstances where the Agency has, prior to the expiry of the first period of fifteen (15) Working Days referred to in clause 6.7 above, issued written communication to the Developer pursuant to clause 6.7 above (that the Agency is not satisfied that the purchase price of the Designated Unit agreed with the Purchaser reflects the Open Market Value for the Designated Unit);

but the Open Market Value of that Designated Unit has not been determined pursuant to clause 6.7, then subject to the Developer's compliance with Clause 3.3.2 of this Agreement and prior receipt by the Agency of the Completion Requirements (and subject also to the terms of clauses 7.14 and 7.15 of this Agreement), within 5 (Five) Working Days of the date of the completion of the sale of that Designated Unit to a Purchaser the Agency shall pay to the Developer in respect of that Designated Unit a provisional Croí Cónaithe (Cities) Subsidy calculated using the Anticipated Market Sales Units Price for that Designated Unit in place

of the Actual Market Sales Units Price. The provisions set out in clause 7.14 to 7.16 shall apply in the event that such provisional Croí Cónaithe (Cities) Subsidy is paid.

6.9 A summary of the market sales process is set out in Schedule 4.

7. PAYMENT OF THE CROÍ CÓNAITHE (CITIES) SUBSIDY

7.1 Subject to

7.1.1 the Developer's compliance with Clause 3.3.2 of this Agreement; and

7.1.2 prior receipt by the Agency of the Completion Requirements; and

7.1.3 clause 6.7, 6.8 and this clause 7 of this Agreement;

within 5 Working Days of the date of the completion of the sale of a Designated Unit to a Purchaser(s), the Agency shall pay to the Developer the Croí Cónaithe (Cities) Subsidy in respect of the relevant Designated Unit (inclusive of VAT).

7.2 Notwithstanding any other term of this Agreement, the Croí Cónaithe (Cities) Subsidy payable in respect of any Designated Unit shall not exceed the Maximum Subsidy.

7.3 The Anticipated Croí Cónaithe (Cities) Subsidy for each Designated Unit is set out in Schedule 6.

7.4 The Croí Cónaithe (Cities) Subsidy payable in respect of a Designated Unit shall equate to the Actual Designated Units Delivery Cost in respect of that Designated Unit less the Actual Market Sales Units Price for that Designated Unit provided that for the avoidance of doubt, for the purposes of calculation of the Croí Cónaithe (Cities) Subsidy payable in respect of a Designated Unit, the Actual Designated Units Delivery Cost of that Designated Unit shall be either equal to or less than the Anticipated Designated Units Delivery Cost in respect of that Designated Unit and shall never be a figure that is higher than the Anticipated Designated Units Delivery Cost in respect of that Designated Unit.

7.5 On a date occurring between 20 Working Days and 1 Working Day prior to the Date of Practical Completion of the first of the Designated Units (the "**Costs Review Date**") the Developer shall:

7.5.1 provide the Agency with the updated all-inclusive cost that the Developer has incurred (with estimates (acting reasonably) in respect of any costs which remain to be incurred ("**Estimates**") in order to deliver the Designated Units for sale to Purchasers (including but not limited to, site cost construction costs, development contributions and costs of procuring bonds, utility connection costs, professional fees, sales costs, legal fees, finance costs, developer/risk margin, contingency, VAT and any other delivery cost howsoever arising) same to be provided by the Developer to the Agency in the same form as the document attached hereto at Schedule 7 with such amendments as approved by the Agency (acting reasonably); and

7.5.2 provide the Agency with a comparison of delivery costs incurred in respect of each item set out in the document to be provided pursuant to clause 7.5.1 above as against the anticipated cost of that item as set out in the document attached hereto at Schedule 7; and

7.5.3 provide the Agency with a certificate from the Developer's Representative (a "**DR Certificate**") confirming whether or not the updated all-inclusive cost that the Developer has incurred in order to deliver the Designated Units for sale to Purchasers (as set out in the document referred to in clause 7.5.1 above) is less

than, equal to or greater than the Anticipated Designated Units Delivery Cost.

- 7.6 With regard to any Estimates the Agency may dispute that any such Estimates are reasonable by serving a notice in writing on the Developer within five (5) Working Days of the date of receipt of the DR Certificate. If the Agency serves such a notice then the Costs Review Date shall not have occurred. The parties shall then engage in good faith for a period of no longer than ten (10) Working Days with a view to agreeing such Estimates. If such agreement cannot be reached by the parties, either party may elect to have the matter referred to an expert for determination in accordance with Clause 13. Following agreement or determination of the Estimates (as appropriate) the Developer shall on a date occurring within ten (10) Working Days of the date of agreement or determination of the Estimates (as appropriate) (which date shall then constitute the **Costs Review Date** for the purposes of this Agreement):
- 7.6.1 provide the Agency with a revised updated all-inclusive cost that the Developer has incurred (incorporating such agreed and / or determined Estimates) in order to deliver the Designated Units for sale to Purchasers; and
 - 7.6.2 provide the Agency with a revised comparison of delivery costs incurred in respect of each item set out in the document to be provided pursuant to clause 7.6.1 above as against the anticipated cost of that item as set out in the document attached hereto at Schedule 7; and
 - 7.6.3 provide the Agency with a revised DR Certificate (which shall constitute the DR Certificate for the purposes of this Agreement) confirming whether or not the updated all-inclusive cost that the Developer has incurred in order to deliver the Designated Units for sale to Purchasers (as set out in the document referred to in clause 7.6.1 above) is less than, equal to or greater than the Anticipated Designated Units Delivery Cost.
- 7.7 With regard to any documents and information referred to in clause 7.5 and 7.6 above, the Developer represents and warrants to the Agency on the date of this Agreement and on the date of delivery of such documents and information that:
- 7.7.1 any such documents and information shall be true and accurate in all material respects as at the date at which they are given or stated to be given; and
 - 7.7.2 any relevant financial projections or estimates contained in such documents shall be prepared on the basis of reasonable assumptions.
- 7.8 (Subject to clause 7.9 below) if the DR Certificate certifies that the updated all-inclusive cost that the Developer has incurred in order to deliver the Designated Units for sale to Purchasers is equal to or greater than the Anticipated Designated Units Delivery Cost then the Anticipated Designated Units Delivery Cost shall constitute the Actual Designated Units Delivery Cost for the purposes of this Agreement and the Croí Cónaithe (Cities) Subsidy payable to the Developer in respect of a Designated Unit shall be calculated on the basis that the Anticipated Designated Units Delivery Cost for that Designated Unit is the Actual Designated Units Delivery Cost for that Designated Unit.
- 7.9 If:
- 7.9.1 the DR Certificate certifies that the updated all-inclusive cost that the Developer has incurred in order to deliver the Designated Units for sale to Purchasers is less than the Anticipated Designated Units Delivery Cost; or
 - 7.9.2 if on the Costs Review Date a Costs Review Event occurs (the Agency shall notify the Developer in writing (a "**Costs Review Event Notification**") within 5 Working

Days of the Costs Review Date if a Costs Review Event has occurred);

then the Agency shall review the documents and information provided by the Developer pursuant to clause 7.5 or 7.6 above (as appropriate) and shall (within 10 Working Days of the date of the Costs Review Event Notification or 10 Working Days of the date of receipt of the documents and information referred to in clause 7.5 or 7.6 above (as appropriate)) issue a certificate to the Developer certifying the Actual Designated Units Delivery Cost ("**Designated Units Delivery Cost Certificate**") which for the avoidance of doubt will be either less than or equal to the Anticipated Designated Units Delivery Cost.

- 7.10 If the Developer does not agree with the Actual Designated Units Delivery Cost as certified by the Agency in the Designated Units Delivery Cost Certificate then the parties shall engage in good faith with a view to agreeing the Actual Designated Units Delivery Cost within 10 Working Days of the date of issue of the Designated Units Delivery Cost Certificate.
- 7.11 If the parties cannot reach agreement within 10 Working Days of the date of issue of the Designated Units Delivery Cost Certificate the Developer may at any time prior to the expiry of 15 (Fifteen) Working Days of the date of issue of the Designated Units Delivery Cost Certificate elect to have the matter referred to an expert for determination in accordance with Clause 13. In such a scenario, the calculation of the Croí Cónaithe (Cities) Subsidy payable to the Developer shall be based on the Actual Designated Units Delivery Cost as determined by the expert appointed pursuant to Clause 13 (and which for the avoidance of doubt shall be deemed to be either equal to or less than the Anticipated Designated Units Delivery Cost and shall never be a figure that is higher than the Anticipated Designated Units Delivery Cost).
- 7.12 If the Developer does not make a referral to an expert pursuant to clause 7.11 above within 15 (Fifteen) Working Days of the date of issue of the Designated Units Delivery Cost Certificate then the Developer will be deemed to have accepted the Actual Designated Units Delivery Cost as certified by the Agency pursuant to the Designated Units Delivery Cost Certificate and the Croí Cónaithe (Cities) Subsidy payable to the Developer shall be based on the Actual Designated Units Delivery Cost as certified by the Agency in the Designated Units Delivery Cost Certificate.
- 7.13 For the avoidance of doubt where the Developer completes the sale of a Designated Unit to a Purchaser in circumstances where the Actual Designated Units Delivery Cost has not been determined in accordance with clauses 7.5 to 7.12 above then subject to the Developer's compliance with Clause 3.3.2 of this Agreement and prior receipt by the Agency of the Completion Requirements, and subject also to clauses 7.14 and 7.15 below, within 5 (Five) Working Days of the date of the completion of the sale of that Designated Unit to a Purchaser the Agency shall pay to the Developer in respect of that Designated Unit a provisional Croí Cónaithe (Cities) Subsidy calculated using the Anticipated Designated Units Delivery Cost for that Designated Unit in place of the Actual Designated Units Delivery Cost.
- 7.14 Following determination of the Actual Designated Units Delivery Cost of a Designated Unit pursuant to clauses 7.5 to 7.12 above and / or following determination of the Open Market Value of a Designated Unit pursuant to clause 6.7 of this Agreement if it transpires that a provisional subsidy paid to the Developer in respect of a Designated Unit is more than the Croí Cónaithe (Cities) Subsidy payable in respect of that Designated Unit then at the option of the Agency:
- 7.14.1 the Developer will, within five (5) Working Days of a demand in writing to the Developer made by the Agency, repay the Agency the amount of the overpayment or

- 7.14.2 the Agency shall deduct an amount equivalent to the overpayment from any further payments of the Croí Cónaithe (Cities) Subsidy payable by the Agency to the Developer in respect of the sales of any of the other Designated Units.
- 7.15 Following determination of the Actual Designated Units Delivery Cost of a Designated Unit pursuant to clauses 7.5 to 7.12 above and / or following determination of the Open Market Value of a Designated Unit pursuant to clause 6.7 of this Agreement if it transpires that a provisional subsidy paid to the Developer in respect of a Designated Unit is less than the Croí Cónaithe (Cities) Subsidy payable in respect of that Designated Unit then the Agency will pay the outstanding balance of the subsidy payable in respect of that Designated Unit to the Developer within 5 Working Days.
- 7.16 For the avoidance of doubt:
- 7.16.1 no change to the Anticipated Designated Units Delivery Cost will be permitted after the date of this Agreement.
- 7.16.2 there shall be no Croí Cónaithe (Cities) Subsidy payable to the Developer should the Actual Market Sales Units Price (as determined in accordance with this Agreement) exceed the Actual Designated Units Delivery Cost; and
- 7.16.3 In the event of an overpayment of the Croí Cónaithe (Cities) Subsidy by the Agency to the Developer the sum in question shall be a debt owing to the Agency by the Developer and shall be repayable on demand by the Developer to the Agency.

8. SALE OF DESIGNATED UNITS

- 8.1 In the event that the Developer fails to enter into a contract for sale or does not complete the sale of a Designated Unit to a Purchaser, the Developer will continue to make the Designated Unit available for sale to a Purchaser until a date falling nine (9) months after the Date of Practical Completion of the Designated Unit (the “**Designation Period**”). If following the expiry of three (3) months from the end of the Designation Period the Designated Unit has not been purchased by a Purchaser, then the Developer shall be entitled to sell the Designated Unit on the open market to any purchaser and it will no longer be eligible for the Croí Cónaithe (Cities) Subsidy.

9. NO PARTNERSHIP OR AGENCY

Nothing in this Agreement shall constitute a partnership or agency between the Agency and the Developer.

10. ASSIGNMENT

The Developer shall not be entitled to assign, mortgage, charge, declare a trust of or deal in any other manner with any of its rights or obligations under this Agreement to any third party without the prior written approval of the Agency (such approval not to be unreasonably withheld or delayed), save that the Agency shall consent to the grant of security over this Agreement to any Approved Lender or Approved Lenders that are providing finance to the Developer to fund the development of the Designated Units subject to such Approved Lender or Approved Lenders executing a direct agreement in a form acceptable to the Agency (acting reasonably)

- 12.1 Without prejudice to the termination rights of the Agency as set out in clause 5 of this Agreement the parties hereto shall be relieved from liability under this Agreement to the extent that by reason of Force Majeure they are not able to perform their obligations under this Agreement. The Agency shall have the right to terminate this Agreement in circumstances where the Force Majeure continues for a period in excess of 6 months and where such Force Majeure period has the effect of causing the Date of Practical Completion to occur after the Final Completion Date. When Force Majeure ceases or no longer causes the parties to be unable to comply with their obligations under this Agreement, the Agreement shall continue to be performed on the terms existing immediately prior to the occurrence of the Force Majeure. The parties shall at all times following the occurrence of Force Majeure use all reasonable endeavours to prevent and mitigate the effect of any delay, provided that the Developer shall be entitled to an extension of time to the Completion Date in respect of any delay caused by reason of Force Majeure which is just and equitable in the circumstances then pertaining.

Prior to the advertisement of any of the Designated Units for sale, the Developer shall:

instruct a suitably qualified, experienced and independent valuer to estimate the Proposed Market Sales Units Price for each Designated Unit;

notify the Agency in writing of the Proposed Market Sales Units Price for each Designated Unit; and

receive written confirmation from the Agency within ten (10) Working Days of such notification from the Developer, that it is satisfied with the Proposed Market Sales Units Price for each Designated Unit.

In the event that the Agency is not satisfied with the Proposed Market Sales Units Price for each Designated Unit, the Agency may, within ten (10) Working Days of notification to the Agency as per clause 1.2 above, appoint a separate suitably qualified, experienced and independent valuer to forecast the Proposed Market Sales Units Price, with such forecast to be provided to the Developer within ten (10) Working Days of the appointment by the Agency of such independent valuer. Following the separate valuation, the parties shall engage in good faith for a period of no longer than 10 Working Days with a view to agreeing the Proposed Market Sales Units Price. If such an agreement cannot be reached by the parties, either party may, following the expiry of the ten (10) Working Day engagement period, elect to have the matter referred to an expert for determination in accordance with Clause 13.

If the Developer has failed to agree the sale of a Designated Unit (subject to contract) within 56 calendar days of advertising the first of the Designated Units for sale at the Proposed Market Sales Units Price or if at any time a period of 56 calendar days elapses from the date of agreeing a sale of a Designated Unit (subject to contract) without agreeing a sale of any other Designated Unit (subject to contract), then the Developer:

- ii. may instruct a suitably qualified, experienced and independent valuer to estimate a Revised Proposed Market Sales Units Price for each Designated Unit;
- iii. shall notify the Agency of the Revised Proposed Market Sales Units Price for each Designated Unit and provide (to the Agency in writing) the rationale of the Developer for seeking to advertise the Designated Units for sale at the Revised Proposed Market Sales Units Price; and

- iv. shall (subject to clause 5 below) receive written confirmation from the Agency, within ten (10) Working Days of such notification from the Developer, that it is satisfied with the Revised Proposed Market Sales Units Price for each Designated Unit whereupon the Developer shall be entitled to advertise the Designated Units for sale at the Revised Proposed Market Sale Units Price and shall not advertise any of the Designated Units for sale at a price which is less than the Revised Proposed Market Sales Units Price.

In the event that the Agency is not satisfied with the Revised Proposed Market Sales Units Price for each Designated Unit, the Agency may, within ten (10) Working Days of notification to the Agency as per clause 4.1.3, appoint a separate suitably qualified, experienced and independent valuer to forecast the Revised Proposed Market Sales Units Price with such forecast to be provided to the Developer within ten (10) Working Days of the date of appointment by the Agency of such independent valuer. Following the separate valuation, the parties shall engage in good faith for a period of no longer than ten (10) Working Days with a view to agreeing the revised Proposed Market Sales Units Price. If such an agreement cannot be reached by the parties, either party may, following the expiry of the ten (10) Working Day engagement period, elect to have the matter referred to an expert for determination in accordance with Clause 13.
